

Accredited calibration of 1-8 inputs of the MS Monitoring System

Termékkód: SLU004

Calibration sheet for 1-8 inputs of the MS Monitoring System issued by an accredited calibration laboratory.

The calibration certificate is issued by a calibration laboratory accredited by the Czech Institute for Accreditation, o.p.s. according to CSN EN ISO/IEC 17025:2018.

The calibration certificate is internationally recognised within the framework of international multilateral agreements EA MLA and ILAC MRA.

Accredited calibration is provided by an external calibration laboratory.
