

Accredited CO₂ calibration

Termékkód: SLU015

CO₂ calibration certificate issued by an accredited calibration laboratory. The calibration certificate is issued by a calibration laboratory accredited by the Czech Institute for Accreditation, o.p.s. according to CSN EN ISO/IEC 17025:2018.

The calibration certificate is internationally recognised within the framework of international multilateral agreements EA MLA and ILAC MRA.

Accredited CO₂ calibration is provided by an external calibration laboratory.
